

Winona Renewable Energy Tour

October 5th, 2013

10 AM to 3 PM

You're Invited.....

The Winona Renewable Energy Tour is a **FREE PUBLIC OPEN HOUSE** to demonstrate how home and business owners are using solar, wind, geothermal, energy efficiency and sustainable practices to reduce their dependence on fossil fuels and to become energy independent. You can visit any site at any time between 10 am and 3 pm. Homeowners will be available at each site to provide information, share experiences and answer questions. More details and interactive map at <http://winonarenewableenergytour.weebly.com/>
